**Pope Francis**

Pastoral ministry in a missionary style is not obsessed with the disjointed transmission of a multitude of doctrines to be insistently imposed. When we adopt a pastoral goal and a missionary style which would actually reach everyone without exception or exclusion, the message has to concentrate on the essentials, on what is most beautiful, most grand, most appealing and at the same time most necessary. The message is simplified, while losing none of its depth and truth, and thus becomes all the more forceful and convincing.

**Pope Francis, "The Joy of the Gospel", #35**

*"He said, "Come". Peter got out of the boat and began to walk on the water toward Jesus." - MATTHEW 14:29*

When you hear Jesus calling, do you responded immediately and trust that He knows what He's doing? If so, you are walking on water! When we say "yes" to Jesus, we feel the power of his presence in our lives. We can feel the freedom it gives us! Listen how Jesus is calling you to live the extraordinary life He has in mind for you.
