Pope Francis

Some Christians insist on taking another path, that of justification by their own efforts, the worship of the human will and their own abilities. The result is a self-centred and elitist complacency, bereft of true love. This finds expression in a variety of apparently unconnected ways of thinking and acting: an obsession with the law, an absorption with social and political advantages, a punctilious concern for the Church's liturgy, doctrine and prestige, a vanity about the ability to manage practical matters, and an excessive concern with programmes of self-help and personal fulfilment. Some Christians spend their time and energy on these things, rather than letting themselves be led by the Spirit in the way of love, rather than being passionate about communicating the beauty and the joy of the Gospel and seeking out the lost among the immense crowds that thirst for Christ.

Diocese of Madison Annual Catholic Appeal 2019 "In the Light of Faith"

The theme for the 2019 Annual Catholic Appeal of the Diocese of Madison is "In the Light of Faith." We ask that God guide us, In the Light of Faith, and give us the ability to put our faith in Him to allow us the capacity to love and care for those in our parishes, our diocese and the Church throughout the world. We ask that His grace make us even more generous in supporting those needs. Each pledge to the Annual Catholic Appeal supports diocesan ministries, education and services and assures a strong future for the Diocese of Madison and the people that it serves. This year each of us is asked to consider making a pledge, payable over six months. Your gift will help enable the diocese to reach its goal and provide to the ministries supported by the appeal. If you received your pledge form in the mail, please complete it and mail it back. Thank you for your prayerful consideration and generous response. throughout the world.
